**BACK TO SCHOOL**

**School News**

I would like to welcome all students and parents back to a brand new school year. As mentioned at our "Meet the Teacher" event, please keep an eye out for the folders coming home with your child on a daily basis. Throughout the year, this will be one of our main methods of communication. Please be sure to fill out and return our Parent Compact, as we need 100% of them returned. Also, please make sure that we have your latest contact information available here at the school in case of an emergency.

You may contact our secretary at anytime during the course of the day.

**Dismissal**

**Buses depart from the school at 2:35pm.** Walker and Car Pickups will not begin until 2:40pm. We ask that all parents in the car pickup line stay in their cars. All cars ***must*** have their pickup tag displayed in your front windshield. ***If you do not have a car pickup tag, please register for one in the office with our secretary.*** If you chose to have another person pick up your child in the line, they will need to have the tag displayed in their car. Independent walkers will be released at 2:50pm.

**Parking and School**

**Grounds Care**

To help keep our traffic flowing and our school grounds looking clean and neat, we ask :

- Please do not park and leave your car in the Short Street dropoff/loading zone. The mornings and afternoons are when we have our highest volume of traffic. We need to keep this area free of congestion so everyone can drop/pickup their children in a timely manner.
- Please do not park in the grass along the sidewalk. This tears up the grass.
- When parking along the street, please do not block any resident driveways.

**Mark Your Calendar:**
