School News

Guyandotte Elementary School is needing wrapping paper for the Winter Gift Shop. If anyone has any extra or any that they don't want, we would gladly accept it. Thank You.

Parents, please keep an eye out for announcements and student work coming home in the student's folders on a daily basis. In order to help your children grow and be successful, please make time during the course of the evening to help them with any homework they may need to complete and practice skills such as math facts and reading. Our teachers should be sending work home throughout the week for such practice to take place. Students are also allowed to bring their library books home to allow them to read in the evenings. As with anything, the more they practice, the more proficient they will become.
