We would like to invite you to attend a meeting Monday, November 13th, at 1:00pm to discuss a very important topic – “Keeping Kids Safe in an Online World”. Our county Technology Integration Specialists will present information you need to know about...

- the hidden dangers for children of being online
- helping your children make good decisions on social media
- tips for technology use at home
- ideas for talking with your child about staying safe online
- resources for keeping current on cyber safety issues and monitoring technology use

Please make plans to join us Tuesday to be part of this important discussion!

Guyandotte Elementary School is needing wrapping paper for the Winter Gift Shop. If anyone has any extra or any that they don't want, we would gladly accept it.
