Secretary News

Tardiness:

Parents/Guardians, Once again, we are getting a high volume of students who are tardy, and who are leaving before the end of the school day. Remember, tardiness and early outs count as 1 point against a student's conduct points. All students begin each nine weeks with 100 points. Students need 90 or more points to attend the celebrations at the end of the nine weeks.

Tardiness causes disruption each time a student enters the room late, or leaves early; not to mention instructional time they are losing. ***Students entering after 9:30 or leaving before 1:30 will be marked ½ day absent.*** Please strive to make appointments before or after school hours.

We appreciate your support in this matter,

Carrie Blankenship, Attendance Secretary

Parents, please make transportation changes with your child in the mornings before you drop them off. Also, send a note to the school with your child to give the teacher so there is no confusion when its time to go home. Do not call the office at 2:00pm to make changes unless it's an emergency.

PTO News

For only \$5.00, the PTO will put your child's birthday announcement on the school's marquee so that the school and community can celebrate your special day!
