MENUGRAM

April 30-May 4, 2018

School News

TESTING:

We are continuing testing next week. Our students in grades 3-5 will be taking the General Summative Assessment. Additional information regarding the test and test taking tips have been sent home today with those students. Please also see the back of this menugram for the testing schedule and some tips to help us ensure your child is well rested and prepared to do their best on the test. The testing schedule is the same throughout the county. If your child is late or absent on the day of testing, make-up tests will be scheduled as soon as possible to ensure that we have 100% participation.

SURVEYS:

Parents please make sure you fill out and send back the Parent Surveys. As a Title 1 School, we are required to get 100% of these surveys back. So please help us out by filling out these surveys and sending them back to school. Thank You!

CONGRADULATIONS:

Mrs. Patterson's class collected the most money for Pennies From Heaven. They Collected \$75.60 and will receive a Pennies Party as a reward. Good Job!

Academic Support at Home

Please remember Cabell County School's website now provides access to academic resources to support students after the school days ends. Students in kindergarten through high school can work on skills related to their in-school instruction by accessing the links listed for each programmatic level.
